Feedback

Feedback can be submitted using the form available at

http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code/technical_requirements/connection_code_feedback

Word or PDF documents can be attached where necessary. Stakeholders are encouraged to provide feedback and suggestions that will make the Connection Code easier to use. Power and Water will endeavour to respond to all feedback within three weeks.

How can I get more information?

The Service Development Section of PWC administers the Connection Code and associated activities. This includes the asset creation design and construction process for the Corporation's water supply and sewerage infrastructure. The Connection Code and Infrastructure Design Approval Process internet pages are available on our internet:
