## Feedback

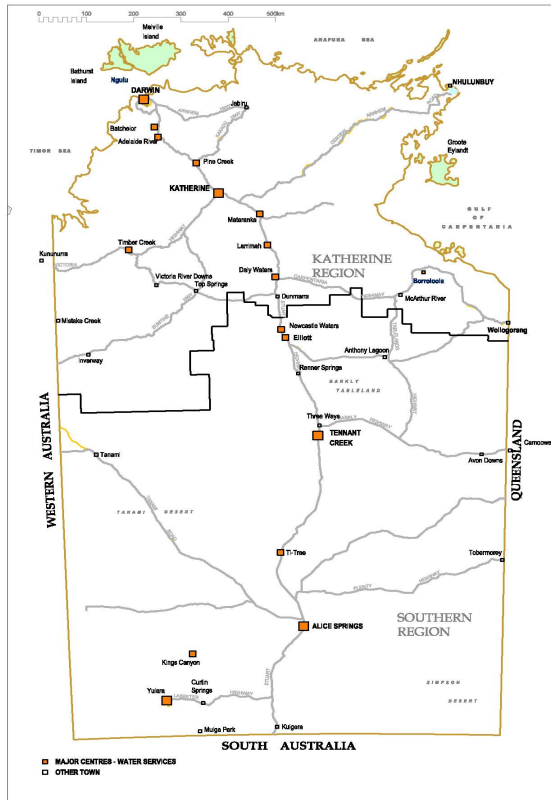

Feedback can be submitted using the [form](http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code/technical_requirements/connection_code_feedback) available from [http://www.powerwater.com.au/business/for business and developers/water services connection code/technical requirements/connection code feedback](http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code/technical_requirements/connection_code_feedback)

Word or PDF documents can be attached where necessary.

## How can I get more information?

The Service Development Section of Power and Water administers the Connection Code and associated activities. This includes the asset creation, design and construction process for the Corporation's water supply and sewerage supply infrastructure. The Connection Code and Infrastructure Design Approval Process internet pages are available on our internet at [http://www.powerwater.com.au/business/for business and developers/water services connection code](http://www.powerwater.com.au/business/for_business_and_developers/water_services_connection_code)
