

Paying your Power and Water bill

Paying your Power and Water account on time is important to avoid disconnection of your service. We issue invoices quarterly for residential customers and monthly for all other customers.

Having difficulty paying?

Our payment term is 21 days from the date of issue shown on the account. You need to let us know if you think you may have difficulty paying by the due date. We may be able to make special arrangements, such as agreeing to you making payments by installments. Please contact us on 1800 245 092 if payment wont be made before the due date to avoid credit control action.

Installation of a prepaid meter may be considered, however is subject to the land owner's permission and may not be suitable for some properties.

Further information including copies of the Power and Water's Hardship Guidelines and Customer Contract are available at our Customer Service Centres or online at powerwater.com.au.

Going away or moving?

If you are going on holidays or will be away for an extended period of time, call 1800 245 092 to make payment arrangements to ensure your service is not disconnected in your absence.

If you are moving away we need two days notice and details of your forwarding postal address. You are liable for all charges on connections in your name regardless of whether you are currently living at the premises. If you no longer require connection/s in your name please call us on 1800 245 092 to arrange disconnection and stop any further charges being incurred in your name. Access to the property is required by Power and Water when disconnections are requested.

Changes to your account

We also need you to inform us of any changes to your circumstances such as the account contact person, updated contact details or access to your metering equipment.

Payment options

Power and Water offers a number of payment options, so there's sure to be one that suits your needs. These payment options are:

BPay

With BPay, you can pay your bills directly from your bank account, over the phone or on the internet. Quote biller code 7526 to pay Power and Water bills. Please allow at least two working days processing time.

Centrelink deductions

Automatically transfers funds from your Centrelink allowance to pay your Power and Water bill. Pick up an authority form from your Power and Water office, nominate a deduction amount per fortnight and Centrelink will pay this amount directly to Power and Water.

Direct Debit

Complete the Direct Debit form (available from our customer service centres or on line at powerwater.com.au) and return to us either by fax – 08 892 39546, email – customerservice@powerwater.com.au, post – GPO Box 3596, Darwin NT 0801 or in person to any of our Customer Service Centres. Please note two working days are required to set or cancel a Direct Debit arrangement.

In person

You can pay your bill at any Australia Post or Power and Water Customer Service Centre (see 'Want to know more' section for locations and opening hours).
