

Clearance request form

The developer or authorised representative is required to complete this form and submit together with the relevant documents attached a minimum of fourteen days prior to the proposed clearance date.

Once all documentation is received and reviewed Power and Water will conduct a site visit prior to clearance to ensure the water and sewer connections meet current Power and Water standards.

Developer details

| | | | |
|-----------------|----------------------|-----------------|----------------------|
| Company: | <input type="text"/> | Contact person: | <input type="text"/> |
| Phone number: | <input type="text"/> | Email address: | <input type="text"/> |
| Postal address: | <input type="text"/> | | |

Land details

| | | |
|------------------------|----------------------|----------------------|
| Lot No: | Street address: | Suburb/Town: |
| <input type="text"/> | <input type="text"/> | <input type="text"/> |
| Development permit No: | <input type="text"/> | |
| Description of works: | <input type="text"/> | |
| <input type="text"/> | | |

| | | | |
|----------------------------|--|----------------------------|--|
| Is the lot water serviced? | <input type="checkbox"/> Yes <input type="checkbox"/> No | Is the lot sewer serviced? | <input type="checkbox"/> Yes <input type="checkbox"/> No |
| Is there a water easement? | <input type="checkbox"/> Yes <input type="checkbox"/> No | Is there a sewer easement? | <input type="checkbox"/> Yes <input type="checkbox"/> No |

I have attached the following documentation:

| General | Water | Sewer |
|--|--|---|
| <input type="checkbox"/> Copy of development permit (signed & dated) <input type="checkbox"/> Survey plan (where applicable) <input type="checkbox"/> Copy of receipts for water/sewer WASEP and or contribution Fees (Or provide billing details for invoicing) <input type="checkbox"/> Other | <input type="checkbox"/> Water meters installed <input type="checkbox"/> All disconnections/connections completed & isolations removed/relocated <input type="checkbox"/> All defects rectified to Power and Water requirements (photos attached) <input type="checkbox"/> UTS identification tags for meters attached as per Power and Water standards (where applicable) <input type="checkbox"/> Backflow prevention - notice of installation <input type="checkbox"/> Backflow prevention - valve certificate test report | <input type="checkbox"/> Copy of 'Section 40 - Certificate of Compliance Plumbing and Drainage Construction' <input type="checkbox"/> Signed 'As-Constructed' Sanitary Drainage Plans in A3 size <input type="checkbox"/> All disconnections/connections completed and isolations removed/relocated <input type="checkbox"/> All defects rectified to Power and Water requirements (photos attached) <input type="checkbox"/> Trade waste permit (where applicable) |

Certification of removal from service:

I have conducted an inspection and confirm the works are ready for clearance. Yes
