Attachment B – Generator Standing Data Agreement

I, _____ <name> _____, hereby agree to provide to the Market Operator the following information. The information is to be provided in a spreadsheet attached to an email (note, the Market Operator will provide a spreadsheet template upon approval).

The email details are:

Email address: market.operator@powerwater.com.au

Subject line: Market Participant Register - <<name of generator>>

Attachment: <<file name convention>>

The attributes to be included in the first tab of the spreadsheet are:

ROW	COLUMN	DESCRIPTION
First Row	First Column	Confidential data
Second Row	First Column	<<Name of Generator>>
Second Row	Second Column	<<Location of generator – name of network busbar connection point>>
Third Row	First Column	Name of first power station
Third Row	Second Column	Name (ID) of first generating unit
Third Row	Third Column	Name (ID) of next generating unit
Third Row	Fourth Column and subsequent	Name (ID) of next generating unit
Forth Row and subsequent		<<repeat information in third row for each subsequent power station>>

The attributes to be included in the second tab of the spreadsheet are the revenue meter installation number, and the electrical location of that meter for each generating unit, or alternative arrangement (as described).

All other standing data as specified in the Generator Commitment and Dispatch Template, as shown in Attachment 4 of the System Control Technical Code.

The Generator agrees that if they request the Market Operator to calculate Out of Balance energy and price in accordance with the provisions of clause A6.10 of the System Control Technical Code, they will provide the Market Operator with sufficient information to enable that calculation to be undertaken.

The Market Operator acknowledges that all information provided under this agreement is to be treated as confidential information as defined by the System Control Technical Code.

Signed: _____ Name: _____ (please print) Date: _____ (DD/MM/YYYY)

on behalf of: _____ (name of company)

Attachment C – Market Customer Standing Data Agreement

I, _____ <name> _____, hereby agree to provide to the Market Operator the following information after having gained the consent of the customer to supply electricity, and before the contract with that customer commences. The information is to be provided in a spreadsheet attached to an email (note, the Market Operator will provide a spreadsheet template upon approval). This information is required for interval meters only.

The email details are:

Email address: market.operator@powerwater.com.au

Subject line: Market Participant Register - <<name of retailer>>

Attachment: <<file name convention>>

The attributes to be included in the first tab of the spreadsheet are*:

ROW	COLUMN	DESCRIPTION
First Row	First Column	Confidential data
Second Row	First Column	<<Name of retailer>>
Third Row	First Column	Customer site ID / Installation ID / UMI
Third Row	Second Column	Site location
Third Row	Third Column	Customer meter ID
Third Row	Fourth Column	High Voltage or Low Voltage supply point
Third Row	Fifth Column	Date contract commenced
Third Row	Six Column	Date meter replaced
Third Row	Seventh Column	New meter ID
Forth Row and subsequent		} Only required where a change in meters occurs

*please update this for each new customer.

The Market Operator acknowledges that all information provided under this agreement is to be treated as confidential data as defined by the System Control Technical Code.

Signed: _____ Name: _____ Date: _____
(please print) (DD/MM/YYYY)
