

PRECAUTIONARY ADVICE CANCELLED FOR DRINKING WATER (BOIL WATER ALERT)

ADVICE No. 2

Community: Bulla

Time: 1 00pm Date: 21 June 2019

This is the second and final advice notice issued by the Environmental Health Branch of the Department of Health.

The previous "Advice No. 1" issued on 19 June 2019 at 12.00pm is now CANCELLED.

The Bulla water supply is now fully operational and the water is safe to drink.

Water quality sampling results, from official samples collected on 20 June 2019, were issued by the Government laboratory this afternoon. The samples verified that the community water supply is free of any bacteria.

The water is now safe for drinking.

If further information is required, please contact the department's Environmental Health hotline during business hours on toll free 1800 095 646.
