

Staying safe and ready around
Mother Nature
 should be second nature.

Mother nature can be frighteningly predictable in the Territory this time of year. That's why you should **Plan, Prepare, Protect** and **Connect** this season.

Plan

Living in the Territory is all about being ready for the worst that Mother Nature can throw at you.

That means making a **plan** for you and your family in the event of a damaging weather event.

Have you prepared your home and yard?

If not, make sure you put time aside to do so.

Interrupted power supply can take some time to be restored.

Have you thought about how you and your family might cope in that situation? Have you made a plan?

Do you know the emergency phone numbers?
