

Historical Electricity Consumption Data Request Form

This form is to request historical consumption data from Power and Water Corporation.

If you are a retailer or an agency operating on behalf of the customer, you are required **to obtain and provide verifiable consent from the customer** along with your request for it to be processed.

In accordance with the Electricity Retail Supply Code, a data request is only valid if all information relating to the data request has been provided.

*Required fields are marked with an asterisk (required).
