 - (A) in the timeframe(s) specified in this Contract;
 - (B) for the Charges; and
 - (C) otherwise in accordance with the terms and conditions of this Contract; and
 - (iii) subject to clause 1.3, PWC may from time to time during the Term, require the Supplier to provide additional Supplies, by issuing the Supplier with an Order for those additional Supplies.

- (c) The Supplier must fulfil all aspects of the Local Benefit Commitment.

Use of local contractors and suppliers

- (d) Subject to the *Competition and Consumer Act 2010* (Cth), and unless the Supplier demonstrates to PWC that, for commercial, technical or other reasons, it is impractical to do so, in carrying out the Supplier's obligations under this Contract, the Supplier must use:
 - (i) labour available within the Northern Territory;
 - (ii) subcontractors established in the Northern Territory; and
 - (iii) the services located, and obtain supplies and materials supplied by businesses established, in the Northern Territory.

The cost of implementing those recommendations will be borne by the Supplier.
- (k) The Supplier must ensure that any subcontract entered into for the purpose of this Contract contains an equivalent clause acknowledging and granting the Buy Local Industry Advocate the same rights as specified in this clause 4.11.

Performance to be reported in Supplier's Performance Reports

- (l) The Supplier's compliance or non-compliance with this clause 4.11 will be recorded in the Supplier's Performance Report to be prepared by PWC in accordance with clause 25.

4.12 Delay

- (a) The Supplier must promptly notify PWC if it is or may be delayed in performance of its obligations under this Contract (including delay to any Milestones), such notice to include the cause of delay and anticipated effects of the delay (**Delay Notice**).
- (b) PWC may extend the relevant dates for performance of the Contractor's obligations by a reasonable period provided that:
 - (i) the Supplier has submitted a Delay Notice;
 - (ii) the cause of the delay is a Force Majeure Event or is otherwise beyond the reasonable control of the Supplier; and
 - (iii) the Supplier has taken all reasonable steps to mitigate the effects of the delay.
- (c) Where the delay is likely to extend for a period of greater than [6] weeks, PWC may terminate the Contract and the Supplier will only be entitled to:
 - (i) payment for Supplies provided to PWC before the date of termination that comply with this Contract; and
 - (ii) the cost of Goods reasonably ordered by the Supplier before the date of termination and which the Supplier is legally obliged to accept but only if they will become the property of PWC on payment, subject to the Supplier mitigating these costs.
- (d) PWC may at any time for any reason and at its absolute discretion extend the time for performance of any of the Contractor's obligations under this Contract.

5. TESTING AND ACCEPTANCE

5.1 Supplier Testing

- (a) Where Item 14 provides that the Supplier is required to carry out Testing, the Supplier must perform tests to validate that the Supplies comply with the requirements of this Contract (**Tested Components**) including any tests required to be performed as set out

in the Scope of Requirements, before delivery or provision of the Tested Components to PWC, unless such Testing is required by PWC to be done at the relevant Site following delivery. The Supplier must give reasonable notice to PWC prior to undertaking Testing and give PWC the opportunity to oversee the Testing required to be undertaken by the Supplier.

- (b) The Supplier must submit to PWC a written report setting out the results of the Tests, the compliance of the Tested Components with the requirements of this Contract and, where any Tested Components have failed the Tests, the extent and cause of the failure.
- (c) If PWC notifies the Supplier that PWC requires the Tests to be rerun, the Supplier must promptly modify, repair, amend, update or replace the Tested Components before retesting (or procuring the retesting by a nominated third party) and then submitting an updated report to PWC.

5.2 PWC's Testing

Without limiting the Supplier's obligations to carry out Testing under this Contract, PWC may undertake any of PWC's own testing, verification or other enquiries with respect to the Supplies, including performing PWC's own testing that is the same as or similar to the Testing provided for in clause 5.1.

5.3 Acceptance

- (a) PWC will Accept the Supplies or any parts of the Supplies by giving notice to the Supplier when:
 - (i) PWC is satisfied that all or such parts of the Supplies conform with the standards, specifications and requirements of this Contract (including the relevant Specifications);
 - (ii) clause 5.3(b)(i) applies;
 - (iii) the Supplier has met the Supplier's obligations under clauses 5.3(b)(ii) or 5.3(b)(iv); or
 - (iv) the Supplies have been corrected under clause 5.3(b)(v).
- (b) Without limiting any other right or remedy available to PWC, if PWC is not, in respect of any parts of the Supplies, satisfied that such parts comply with the requirements of this Contract (including the relevant Specifications) after the passing of the relevant dates or timeframes for delivery or provision under this Contract, PWC may by written notice to the Supplier in respect of such parts of the Supplies:
 - (i) waive the relevant requirement of this Contract (including the relevant Specifications) and the Charges will be equitably reduced by an amount determined by PWC acting reasonably to reflect the reduction in the value of the Supplies to PWC;
 - (ii) conditionally accept such parts of the Supplies subject to the Supplier agreeing, at the Supplier's own expense, to deliver a workaround and to otherwise correct the failure to meet the requirements of this Contract (including the relevant Specifications) within an agreed period in a manner that is acceptable to PWC, provided that PWC reserves the right to give a further written notice under this clause 5.3(b)(ii) should there be any failure by the Supplier to meet any of the Supplier's obligations under this clause 5.3(b)(ii);
 - (iii) reject such parts of the Supplies and:

- (A) remove such parts of the Supplies from the scope of this Contract and the Charges will be equitably reduced by an amount determined by PWC acting reasonably; or
- (B) terminate this Contract in accordance with clause 23.3, and require the Supplier, at the Supplier's cost, to promptly collect the Supplies (where applicable);
- (iv) require the Supplier, at the Supplier's cost, to collect the Supplies (where applicable) and promptly correct the Supplies so that the Supplies conform with the requirements of this Contract (including the relevant Specifications), provided that PWC reserves the right to give a further written notice under this clause 5.3(b)(iv) should there be any failure by the Supplier to meet any of the Supplier's obligations under this clause 5.3(b)(iv); or
- (v) correct, or have a third party correct, the Supplies and the Supplier must reimburse PWC for all Losses sustained, incurred or suffered by PWC in connection with the correction of the Supplies.
- (c) Acceptance of any Supplies under this clause 5.3 will not, in itself, constitute evidence that such Supplies comply with the relevant requirements of this Contract (including the relevant Specifications), and this clause 5.3 does not limit the Supplier's obligations or PWC's rights and remedies.

6. PAYMENT

6.1 Cost changes at Supplier's risk

The Supplier must not claim any amount in addition to the Charges based on changes in labour, materials or other resourcing costs, exchange rate changes, changes in Law or any other changes to the costs incurred by the Supplier in connection with the inputs that it requires to supply the Supplies.

6.2 Invoicing

- (a) The Supplier may invoice PWC the Charges at the times provided for in Item 19.
- (b) Invoices must:
 - (i) be set out in the format prescribed by PWC or, if PWC has not prescribed a format, an easy to understand, user-friendly format;
 - (ii) include the full amount payable by PWC;
 - (iii) reference the relevant PWC purchase order number;
 - (iv) provide a description of the Supplies supplied and a breakdown of the Charges invoiced for those Supplies;
 - (v) attach all timesheets that are relevant to the Supplies;
 - (vi) attach any additional information required by PWC for invoice substantiation, including breakdowns by the Supplier's Personnel, the calculations used to determine the amounts invoiced and supporting documentation;
 - (vii) be issued in Australian dollars (or such other currency as agreed in writing between the Parties);
 - (viii) include the Supplier's bank account details to enable EFT payment transmission;
 - (ix) unless otherwise specified in the relevant Order, be sent via email to accounts.pwc@powerwater.com.au; and

- (x) comply with the requirements of the GST Act.
- (c) If the Supplier does not invoice PWC in respect of any element of the Supplies within three months after the date on which it is first entitled to do so under this Contract, the Supplier is not entitled to recover that element and will be deemed to have irrevocably waived the Supplier's right to invoice PWC in respect of that element.

6.3 Charges inclusive

- (a) The Supplier acknowledges and agrees that, except as expressly provided for in Item 21, the Charges are inclusive of the Supplier's costs and expenses together with any taxes (including GST), duties, levies, licence fees or other similar amounts, connected with the provision of the Supplies and the performance of the Supplier's obligations under this Contract.
- (b) Where Item 21 provides that Expenses are recoverable by the Supplier, the Supplier must supply evidence of such Expenses having been incurred with any invoice requiring payment of such Expenses.

6.4 Payment of invoices

Subject to the terms and conditions of this Contract and the Supplier's compliance with this Contract, PWC will pay the Supplier within 30 days of receiving an undisputed invoice complying with clause 6.2.

6.5 Disputed invoices

- (a) If PWC disputes the correctness of any invoice (including disagreeing with any amount invoiced for any reason), then it may withhold payment of the disputed amount.
- (b) PWC will pay any newly issued invoice from the Supplier for the undisputed amount.
- (c) If the Supplier disagrees with PWC's assessment, it may refer the matter for resolution under clause 22.

6.6 Payment is payment on account only

Payment of an invoice by PWC is payment on account only and does not constitute approval or acceptance of the Supplies.

6.7 Overpayments

If either Party becomes aware that PWC has overpaid or has been overcharged (including due to an incorrect invoice, incorrectly rendered invoice or an advance payment exceeding the amount ultimately payable), then, without limiting any other obligation of the Supplier or right or remedy of PWC:

- (a) that Party will promptly notify the other Party after becoming aware;
- (b) PWC may elect to have the overpayment set off against any amount due or subsequently due from PWC to the Supplier; and
- (c) if PWC does not exercise PWC's rights under clause 6.7(b), the Supplier will, within 15 Business Days of the notice under clause 6.7(a), reimburse PWC the amount overpaid or overcharged (including any overcharged GST).

6.8 Set off

- (a) Any amount owed by the Supplier to PWC under this Contract may be deducted or set off against amounts payable by PWC to the Supplier under this Contract.
- (b) PWC will notify the Supplier if making a deduction or set off under clause 6.8(a) when paying the affected invoice.

- (c) Any deduction or set off will not prevent PWC from recovering the balance (if any) of the amount owed by the Supplier.

6.9 Adjustments

Where Item 22 provides that Charges will be adjusted, the Charges stated in Item 22 are subject to adjustment for changes in the Applicable Index on each Date of Adjustment in accordance with the following formula:

$$NC = C + (C \times F)$$

Where:

- (a) **NC** is the Charges payable in relation to the Supplies applicable for the year following the Date of Adjustment;
- (b) **C** is the Charges payable in relation to the Supplies applicable immediately before the Date of Adjustment; and
- (c) **F** is the adjustment factor calculated as follows:
 - (i) in the case of the first adjustment, the percentage difference between the Applicable Index for the quarter immediately before the Date of Adjustment and the Applicable Index for the corresponding quarter one year earlier; and
 - (ii) in the case of each adjustment subsequent to the first adjustment, the percentage difference between the Applicable Index for the quarter immediately before the Date of Adjustment and the Applicable Index for the quarter immediately before the previous Date of Adjustment.

7. GST

- (a) Unless otherwise indicated, the consideration expressed to be payable under this Contract for any Supply made under or in connection with this Contract is inclusive of GST, where GST is calculated using the GST Rate at the Commencement Date.
- (b) The Party making a Supply must provide the Recipient with a tax invoice and/or adjustment note in relation to the Supply prior to an amount being paid by the Recipient under this Contract and must do all things reasonably necessary to enable and assist the Recipient to claim and obtain any Input Tax Credit available to it in respect of a Supply.
- (c) Where the GST Rate is changed after the Commencement Date, then any amount of consideration expressed to be payable under this Contract for any Supply made under or in connection with this Contract which:
 - (i) was specified in this Contract before the change to the GST Rate was announced; and
 - (ii) has not been invoiced at the time such change takes effect,
 will be increased or decreased so that the consideration remains inclusive of GST, with GST calculated using the new GST Rate from the date of the change of the GST Rate.
- (d) If a Party is entitled to be reimbursed or indemnified under this Contract, the amount to be reimbursed or indemnified does not include any amount attributable to GST which the Party is entitled to claim back by way of an Input Tax Credit or otherwise.
- (e) If a payment is calculated by reference to or as a specified percentage of another amount or revenue stream, and if GST is not already included in the amount or revenue stream, that payment will be calculated by reference to or as a specified percentage of the amount or revenue stream plus GST.

- (f) If an Adjustment Event arises in respect of a Supply made by a supplying Party, the GST amount payable by the receiving Party will be recalculated to reflect the Adjustment Event and a payment will be made by the receiving Party to the supplying Party, or by the supplying Party to the receiving Party, as the case requires.

- (e) The Supplier must ensure that the Supplier Personnel are aware of and comply with the Supplier's obligations under this Contract including the Supplier's obligations in respect of the Confidential Information of PWC, Personal Information and PWC Data, and the Supplier will be liable for the acts and omissions of such Personnel as if they were the acts or omissions of the Supplier.

 - (ii) for compliance with Law;
 - (iii) at the request of the internal audit division of PWC in the course of conducting a broader audit activity;
 - (iv) for the purpose of verifying the accuracy of any report provided by the Supplier in relation to a significant failure, or recurring failures, in relation to the provision of the Supplies;

- (vi) at the request or direction of the Auditor-General.
- (c) In order for PWC to exercise any of PWC's audit rights under this clause 9.4, the Supplier must give PWC through the PWC Audit Representative full access at all reasonable times and on reasonable notice to (without limitation):

- (g) The Supplier must ensure that any subcontract entered into for the purpose of this Contract contains an equivalent clause granting PWC the same rights as specified in this clause 9.4.
- (h) Nothing in this Contract reduces, limits or restricts in any way any function, power, right or entitlement of the Auditor-General or a delegate of the Auditor-General. The rights of PWC under this Contract are in addition to any other power, right or entitlement of the Auditor-General or a delegate of the Auditor-General.

10.3 PWC Sites information

- (a) PWC does not warrant, guarantee or make any representation about the accuracy, adequacy, suitability or completeness of any information made available to the Supplier in connection with the PWC Sites, including in relation to the existing conditions at the PWC Sites or any area in the vicinity of the PWC Sites.
