Audience(s):	Development industry, Developers, consultants, project managers, designers, construction supervisors, constructor and customers		

Land and building development update

Our Power and Water Corporation Development sections listed above will be **closed from 4.30pm Friday 18th December 2020 to 8am to Monday 4th January 2021.**

Please ensure all:

Handovers are booked by **Friday 4th December 2020** (infrastructure handovers will not be conducted during the closure period)

Design drawings and clearance requests are received by **Friday 4th December 2020** for processing prior to the closure

Making early arrangements for handovers and submissions will be appreciated and will better enable us to respond and assist with requests.

Please note the [BOM advice](#) for the tropical cyclone outlook, including the closure period, and ensure sites are prepared and secure. Please also ensure that any proposed connections or interactions with Power and Water assets are made safe and secured.

Power and Water wish you a happy Festive Season and a safe and prosperous New Year. We look forward to working with you in 2021.

For any emergency impacting on Power and Water assets, contact us on 1800 245 090.

For more information

- The Service Development section of Power and Water administers the Water Services Connection Code and associated activities. This includes asset creation, design and construction process for the corporation's water supply and sewerage supply infrastructure. The Water Services Connection Code and Infrastructure Design Approval Process is available on our website at: https://www.powerwater.com.au/_data/assets/pdf_file/0018/7515/connection_code_17_sept_2003.pdf
- What you need to know about working with or connecting to our electricity infrastructure is detailed in the Network Technical Code and Network Planning Criteria and sets out the requirements that apply to all facets of the electricity network, the code is available on our website at: <https://www.powerwater.com.au/developers/power>
- The Remote Services, Indigenous Community Engineering Guidelines (ICEG) is available on our website at: <https://nt.gov.au/property/building-and-development/build-or-develop-on-aboriginal-land/indigenous-community-engineering-guidelines-iceg>

Development Assessment Services have advised: <https://www.ntlis.nt.gov.au/planning/>

- The last advertisement of development applications for 2020 will be in the NT News and Tennant & District Times on Friday 27 November 2020, and in the Katherine Times on Wednesday 25 November 2020.
- For planning scheme amendments, rezonings, concurrent applications and designated developments (prescribed by section 7 of the Planning Regulations 2000), the last advertisement for 2020 (for the first of two adverts) will run on Friday 13 November 2020 (except for Katherine, which would be Wednesday 11 November 2020).
- The first advertisement for all applications for 2021 will be Friday 22 January (Katherine Wednesday 20 January).
- The DCA meeting calendar for 2021 is now available at <https://dipl.nt.gov.au/lands-and-planning/boards-committees-and-authorities/development-consent-authority/meetings-and-agendas>
